- 2.2 **Customer’s Processing of Personal Data.** Customer shall, in its use of the Services, process Personal Data in accordance with the requirements of Data Protection Laws and Regulations. Customer declares that Personal Data processed through the Services, was obtained and is provided to Zadara lawfully, in accordance with all requirements of Data Protection Laws and Regulations and, to the extent required, that

there is a documented legal basis for the Processing of Customer Personal Data by Zadara. For the avoidance of doubt, Customer's instructions for the Processing of Personal Data shall comply with Data Protection Laws and Regulations. Customer shall have sole responsibility for the means by which Customer acquired Personal Data and, to the extent required, for obtaining all consents from Data Subjects whose Personal Data is included in the Customer Data and providing all notices required to be provided to such Data Subjects; prior to the Processing by Zadara. Zadara shall inform the Customer if, in its opinion, any instruction regarding the demonstration of Zadara's compliance with the Agreement infringes upon any Data Protection Law.

2.3 **Zadara's Processing of Personal Data.** Subject to the Agreement with Customer, Zadara shall process Personal Data in accordance with Customer's documented instructions for the following purposes: (i) Processing in accordance with the Agreement and applicable Order Form(s); (ii) enabling Processing by Customers and End Users in their use of the Services; and (iii) Processing to comply with other documented reasonable instructions provided by Customer (e.g., via email) where such instructions are consistent with the terms of the Agreement. To the extent that Zadara cannot comply with a change to Customer's instructions without incurring material additional costs, Zadara shall: (i) inform Customer, giving full details of the problem; and (ii) continue storing the Customer Data until revised instructions are received. Any changes in Customer's instructions that affect the pricing structure or commercial relationship between the parties must go through an appropriate change procedure and approved by Zadara. The Parties confirm that this DPA is Customer's complete and final instructions to Zadara in relation to processing of the Customer Data.

2.4 Zadara will not (1) "Sell" or "Share" Personal Data as those terms are defined under the CCPA, (2) retain, use or disclose Personal Data (i) for any purpose other than for the specific purpose of performing the Services, or (ii) outside of the direct business relationship between Customer and Zadara, except as permitted under the applicable Data Protection Laws and Regulations, and (3) combine Personal Data that Zadara receives or accesses to it from the Customer, or receives from the End User directly, or which Zadara collects from its own interaction with a Data Subject with that of another person, except as permitted under the applicable Data Protection Laws and Regulations.

2.5 **Details of the Processing.** The subject-matter of Processing of Personal Data by Zadara is the performance of the Services pursuant to the Agreement. The duration of the Processing, the nature and purpose of the Processing, the types of Personal Data and categories of Data Subjects processed under this DPA are further specified in Schedule 1(Details of the Processing) to this DPA.

### 3. RIGHTS OF DATA SUBJECTS

3.1 **Data Subject Request.** Zadara shall, to the extent legally permitted, promptly notify Customer if Zadara receives a request from a Data Subject to exercise any Data Subjects' rights in accordance with the Data Protection Laws and Regulations ("**Data Subject Request**"). However, it is agreed that Zadara processes only the Personal Data that Customer has chosen to share with Zadara. Zadara has no direct or contractual relationship with Data Subjects. As a result, Customer is solely responsible for satisfying all legal obligations owed directly to the Data Subject under applicable Data Protection Laws and Regulations. To the extent Zadara has Customer Personal Data that is inaccessible to or unmodifiable by Customer, Zadara will assist the Customer in responding to Data Subject Requests.

3.2 It is the Customer's responsibility to ensure that Personal Data it collects can be legally collected in the country of origin. The Customer is also responsible for providing to the Data Subject any notices required by applicable law and for responding appropriately to the Data Subject's request to exercise his or her rights with respect to Personal Data. In addition, the Customer is responsible for ensuring that its use of the Services is consistent with any privacy policy the Customer has established and any notices it has provided to Data Subjects.

3.3 Zadara will cooperate with Customer in the event the Customer initiates a data protection impact assessment, taking into account the nature of processing and information available to Zadara.

### 4. ZADARA PERSONNEL

Customer may find on Zadara's webpage a mechanism to subscribe to notifications of new Sub-processors, to which Customer shall subscribe, and if Customer subscribes, Zadara shall provide notification of any new Sub-processor(s) before authorizing any new Sub-processor(s) to Process Personal Data in connection with the provision of the Services.
- 5.3 **Objection Right for New Sub-processors.** Customer may object to Zadara's use of a new Sub-processor by notifying Zadara promptly in writing within ten (10) business days after receipt of Zadara's notice in accordance with the mechanism set out in Section 5.2. In the event Customer objects to a new Sub-processor, as permitted in the preceding sentence, Zadara will use reasonable efforts to make available to Customer a change in the Services or recommend a commercially reasonable change to Customer's configuration or use of the Services to avoid Processing of Personal Data by the objected-to new Sub-processor without unreasonably burdening the Customer. If Zadara is unable to make available such change within a reasonable period of time, which shall not exceed thirty (30) days, Customer's sole remedy is to terminate the applicable Order Form(s) with respect only to those Services which cannot be provided by Zadara without the use of the objected-to new Sub-processor by providing written notice to Zadara.
- 5.4 **Liability.** Zadara shall be liable for the acts and omissions of its Sub-processors to the same extent Zadara would be liable if performing the services of each Sub-processor directly under the terms of this DPA, except as otherwise set forth in the Agreement.

## 6. SECURITY

- 6.1 **Controls for the Protection of Customer Data.** Zadara shall maintain appropriate technical and organizational measures for protection of the security (including protection against unauthorized or unlawful Processing and against accidental or unlawful destruction, loss or alteration or damage, unauthorized disclosure of, or access to, Customer Data), confidentiality and integrity of Customer Data, as set forth in the Security Documentation. Zadara regularly monitors compliance with these measures. Zadara reserves the right to modify the technical and organizational measures and/or the Security Documentation; without further notice to the Customer, provided that Zadara will not materially decrease the overall security of the Services during a subscription term. Customer is solely responsible for reviewing the information made available by Zadara relating to data security and making an independent determination as to whether the Services meet Customer's requirements, and for ensuring that Customer's personnel and consultants follow the guidelines they are provided regarding the Customer's data security responsibilities when using the Services.

7.1.3 Solely the Customer entity which has signed an Agreement with Zadara shall be entitled to conduct an Audit and for avoidance of doubt, Authorized Affiliates shall not be entitled to conduct any Audit. Customer may share the Audit results with Authorized Affiliates provided that each Authorized Affiliate which shall receive the Audit report shall sign a confidentiality undertaking which covers any information relating the Audit, including the Audit results.

7.2 **Third-Party Certifications and Audits.** Zadara has obtained third-party certifications and audits as set forth in the "Third-Party Certifications and Audits" section available in Zadara's website at <https://www.zadara.com/platform/compliance/>. Upon Customer's written request at reasonable intervals but no more than once per year, and subject to the confidentiality obligations set forth in the Agreement or as requested by Zadara at the time of disclosure, Zadara shall make available to Customer that is not a competitor of Zadara (or Customer's independent, third-party auditor that is not a competitor of Zadara), a copy of Zadara's then most recent third-party audits or certifications, as applicable.

## 8. CUSTOMER DATA INCIDENT MANAGEMENT AND NOTIFICATION

Zadara maintains security incident management policies and procedures specified in the Security Documentation and, to the extent required under applicable Data Protection Laws and Regulations, shall notify Customer without undue delay after becoming aware of an actual unauthorized disclosure of or access to Customer Data, or compromise of Zadara's systems that Zadara determines is reasonably likely to result in such disclosure or access, caused by failure of Zadara's security measures but excluding any unauthorized disclosure or access that is caused by Customer or its End Users, including Customer or its End Users' failure to adequately secure equipment or accounts (a "**Customer Data Incident**"). Zadara shall make reasonable efforts to identify the cause of such Customer Data Incident and take those steps as Zadara deems necessary and reasonable in order to remediate the cause of such a Customer Data Incident to the extent the remediation is within Zadara's reasonable control. Zadara may limit the scope of, or refrain from delivering, any disclosures to the extent reasonably necessary to avoid compromising the integrity of Zadara's security, an ongoing investigation, or any Customer's or End User's data. Zadara will cooperate with Customers in the event of a Personal Data breach, taking into account the nature of processing and information available to Zadara.

## 9. RETURN AND DELETION OF CUSTOMER DATA

9.1 **Personal Data Deletion.** Within reasonable time after the end of the provision of the Services, Zadara will return Customer Personal Data to Customer or delete such Customer Personal Data, including by de-identifying Customer Personal Data which is retained.

9.2 **Data Retention.** Notwithstanding, Customer acknowledges and agrees that Zadara may retain copies of Customer Personal Data as necessary in connection with its routine backup and archiving procedures and to ensure compliance with its legal obligations and its continuing obligations under applicable law, including to retain Customer Personal Data pursuant to legal requirements and to use such Customer Personal Data to protect Zadara, its Affiliates, agents, and any person on their behalf in court and administrative proceedings.

9.3 **Anonymized, De-identified and Aggregated Data.** Customer authorizes Zadara to fully anonymize, de-identify and aggregate Personal Data for Zadara's legitimate business purposes, including for testing, development, improvement, security, controls, verification and operations of the Services, and to share and

retain such Personal Data at Zadara's discretion.

## 10. AUTHORIZED AFFILIATES

- 10.1 Contractual Relationship.** The parties acknowledge and agree that, by executing the Agreement, the Customer enters into the DPA on behalf of itself and, as applicable, in the name and on behalf of its Authorized Affiliates, thereby establishing a separate DPA between Zadara and each such Authorized Affiliate subject to the provisions of the Agreement and this Section 10 and Section 11. Each Authorized Affiliate agrees to be bound by the obligations under this DPA and, to the extent applicable, the Agreement. For the avoidance of doubt, an Authorized Affiliate is not and does not become a party to the Agreement, and is only a party to the DPA. All access to and use of the Services and Content by Authorized Affiliates must comply with the terms and conditions of the Agreement and any violation of the terms and conditions of the Agreement by an Authorized Affiliate shall be deemed a violation by Customer.
- 10.2 Communication.** The Customer that is the contracting party to the Agreement shall remain responsible for coordinating all communication with Zadara under this DPA and be entitled to make and receive any communication in relation to this DPA on behalf of its Authorized Affiliates.
- 10.3 Rights of Authorized Affiliates.** Where an Authorized Affiliate becomes a party to this DPA with Zadara, it shall, to the extent required under applicable Data Protection Laws and Regulations, be entitled to exercise the rights and seek remedies under this DPA, subject to the following:
- 10.3.1** Except where applicable Data Protection Laws and Regulations require the Authorized Affiliate to exercise a right or seek any remedy under this DPA against Zadara directly by itself, the parties agree that: (i) solely the Customer that is the contracting party to the Agreement shall exercise any such right or seek any such remedy on behalf of the Authorized Affiliate, and (ii) the Customer that is the contracting party to the Agreement shall exercise any such rights under this DPA not separately for each Authorized Affiliate individually but in a combined manner for all of its Authorized Affiliates together (as set forth, for example, in Section 7.1 above).

## 11. LIMITATION OF LIABILITY

Notwithstanding any provisions to the contrary included in this DPA and the Standard Contractual Clauses, each party's and all of its Affiliates' liability, taken together in the aggregate, arising out of or related to this DPA, and all DPAs between Authorized Affiliates and Zadara, whether in contract, tort or under any other theory of liability, is subject to the 'Limitation of Liability' section of the Agreement, and any reference in such section to the liability of a party means the aggregate liability of that party and all of its Affiliates under the Agreement and all DPAs together.

For the avoidance of doubt, Zadara's and its Affiliates' total liability for all claims from the Customer and all of its Authorized Affiliates arising out of or related to the Agreement and each DPA shall apply in the aggregate for all claims under both the Agreement and all DPAs established under this Agreement, including by Customer and all Authorized Affiliates, and, in particular, shall not be understood to apply individually and severally to Customer and/or to any Authorized Affiliate that is a contractual party to any such DPA.
